

RESOLV'D HAIR SOLUTIONS

*Your path to hair restoration begins here!
This guide will equip you with the knowledge
you'll need to confidently apply Resolv'd Hair
Solutions products in these easy steps.*

HOW TO USE:

1. Apply **Pre-Cleanse** to area of focus. Allow 10 minutes for solution to dry.
2. Shampoo twice with **Power Block Cleanse**. Rinse thoroughly between shampoos.
3. Gently towel blot.
4. Apply **P & C Balance Conditioner**. Process 5-15 minutes with or without heat. Comb through to ensure product is evenly distributed.
5. Towel blot scalp of affected area before applying enhanced therapy solutions.

FOR MODERATE, CONSISTENT GROWTH

Apply **Performance Growth Therapy** with finger tip using a circular motion on affected areas (preferably at night first time). Use as directed otherwise.

FOR ACCELERATED RESULTS

Use **Optimal Performance**. Pump one pump on clean hard surface. Dab solution with finger and gently apply to thin areas in circular motions or dabbing. Do not rub hard. Do not comb, brush, or manipulate area after applying. For even greater results roll the area with a micro needler right before applying solution.

Take supplements daily as recommended. Do NOT take the 90 day supplements if you have shellfish allergies.
